Separation / Retirement FAQ and Fact Sheet

Final Pay

Final pay is manually computed by the Scott AFB finance office and is paid roughly 3 to 5 business days after your date of separation/retirement.

Any leave sell, severance pay, or lump sum disability pay will be included in this check along with any pay earned since the last active duty paycheck.

Retired Pay (Applies to retirees only)

All allotments will automatically roll over into your retired pay except for charity allotments. Your first retired paycheck will be deposited in your account 1-2 months after your DOR. To ensure you have access to your My Pay after retirement, set up your MyPay pin prior to retirement. For any retirement pay questions please contact DFAS Cleveland at 1-800-321-1080

Leave

All terminal and permissive leave requests can be entered in Leave web within 60 days of starting leave

Put Permissive leave request in through LeaveWeb first and request Terminal leave through LeaveWeb after Permissive has been saved and sent to your Commander for approval.

Permissive goes in as table 7 rule 2
Half days cannot be used
Any leave not used will be automatically sold back in the final paycheck
You may only sell 60 days in your career

Retiring members are authorized 20 days of permissive leave in conjunction with terminal leave. Separating members are generally not authorized permissive leave unless they are separating under a VSIP program and the leave is authorized on the member's orders.

Approved by commander, authorized by finance at the mass briefing. You will be given your AF Form 988, leave authorization form at this time. Members must be at or below the fiscal year cutoff for leave to avoid losing leave.

Do not go off Leaveweb or the "ETS Bal" on your LES to determine your leave balance.

Instead use the "Cr Bal" amount off your last LES and add 2.5 days for each month after that.

For instance if the Cr Bal on the LES for March is 20 days of leave and the member is retiring on June 30 the balance through the date of separation is 27.5 days (20 days as of the end of March + 2.5 accrued in April + 2.5 accrued in May + 2.5 accrued in June).

If separating or retiring mid-month leave accrual for that month is prorated as follows:

1-6 days: 0.5 7-12 days: 1.0 13-18 days: 1.5 19-24 days: 2.0 25-30 days: 2.5

For members retiring, when entering terminal leave, your last day of terminal should be the first date on orders. Use the date you are relieved from active duty as the last day of leave

Travel

TRAVEL MUST START WHILE YOU ARE IN LEAVE STATUS OR AFTER YOUR DOS OR DOR

Retiring members are authorized to travel anywhere in the CONUS. Separating members are authorized to travel the point indicated on their orders, usually their home of record. If a separating member chooses not to travel to the point authorized on their orders they are paid up to what it would have cost the government to send them to the location stated on orders. TLE and DLA are not authorized for retirement or separation travel.
