MEMORANDUM FOR 375 AMW/CC

FROM: 375 MDG/CC

SUBJECT: Restriction of Movement for Personnel and Sponsors PCSing from OCONUS Locations to Scott Air Force Base

1. The Coronavirus Disease 2019 (COVID-19) continues to present risk to Scott AFB as personnel travel to and from different locations. In order to reduce this risk, a 14-day quarantine applies to inbound personnel as of their OCONUS departure date. During the 14-day period quarantined personnel will take the following steps to monitor their health and implement social distancing:

- a. Self-monitor daily for fever and symptoms of COVID-19
- b. Restrict movement to essential trips
- c. Avoid contact with others and wear a face mask when in public
- d. Practice social distancing of six feet or two meters
- e. Keep contact limited to essential business and avoid work environment
- f. Avoid use of public transportation

2. If you develop symptoms during the quarantine period, or have any questions or concerns please contact the 375 MDG COVID-19 Response Information Center at 256-5653, email usaf.scott.375-mdg.mbx.covid-19@mail.mil, or Public Health at 256-4986. This direction is in effect until the 375 AMW/CC lifts restrictions of movement for Scott AFB.
